The workshop will be held on Zoom.

We founded the **Consortium of Virtual Exchange (CoVE)** to build a community of virtual exchange enthusiasts, educators, and administrators. We would like to invite you to our first workshop for faculty and staff.

Join us on Wednesday, **2 December 2020** for a one-hour workshop from 3.00 – 4.00 p.m. (UTC +1) for Faculty & Staff to discuss virtual exchange opportunities and reflect on our virtual conference. In this workshop we will also provide

- an insight into how to start a virtual exchange project.
- platform to discuss our pedagogical and administrative challenges we had.
- time to reflect on the virtual conference held on 24 Nov.
